VA-THE BIG BUTT BOOK 3D

DIAN HANSON

VA-THE BIG BUTT BOOK 3D DIAN HANSON

Sweet cheeks in 3-D: A cornucopia of delectably rounded, fully dimensional derrieres The Kama Sutra gives detailed instructions on how to spank it. Contemporary Italians touch it for luck before placing a bet. Americans are having it cosmetically enhanced at rates approaching those for breast enlargement surgery. The female butt, tush, culo, or derriere has always inspired awe, fantasy, and slavish devotion, and now its yours - in state-of-the-art 3-D! Sound like a crazy dream? Well, TASCHEN is where dreams come true, so get ready for The Big Butt Book 3-D with a stunning full lenticular cover. As with The Big Book of Breasts 3-D and The Big Penis Book 3-D, original black and white photos have been converted to anaglyph 3-D by Jon Schnitzer and The Brain Factory. Jon and his team apply their technique so subtly that images are minimally affected on the page, but really pop when you put on the red and blue anaglyph glasses included with this volume. Formerly 2-D butts now leap into three dimensional fullness, bulging off the page and wagging seductively as you move from left to right. The book contains 110 of these masterpieces, many not seen in the original Big Butt Book. See cover model Alexis Texas as nature intended! Thrill to Coco in the round! When they see The Big Butt Book 3-D even breast men will agree with Sir Mix-a-Lot, "My anaconda don't want none, unless you've got buns, hun." Text in English, French, and German

Présentation de l'éditeur

Il Kama Sutra offre dettagliate istruzioni su come sculacciarlo. C'è chi lo tocca come portafortuna prima di una scommessa. In America è oggetto di chirurgia plastica a un ritmo che quasi eguaglia gli interventi di mastoplastica additiva. Il sedere femminile - chiamiamolo derrière, culo o lato B - da sempre ispira meraviglia, fantasia e remissiva devozione, e adesso potete trovarlo in un'impeccabile versione 3D. Immagini originariamente in bianco e nero sono state convertite in anaglifi 3D da Jon Schnitzer e The Brain Factory. La tecnica usata da The Brain Factory è così raffinata che le immagini sulla pagina ne risentono a malapena ma, appena indosserete gli occhiali anaglifici con lenti rosso/blu inclusi nel volume, le vedrete letteralmente prendere corpo. Glutei un tempo bidimensionali ora balzano fuori in tutta la loro tridimensionale pienezza, sporgendo dalla pagina e ondeggiando sensuali mentre vi spostate da sinistra a destra. Di questi capolavori nel libro ce ne sono 110, molti dei quali non presenti nell'originale The Big Butt Book. Biographie de l'auteur Dian Hanson est née à Seattle en 1951. Elle dirige la collection Sexy Books de TASCHEN depuis 2001. Avant cela, elle a conçu pendant 25 ans des revues de charme, dont Puritan, OUI, Outlaw Biker, Juggs et Leg Show. Parmi ses nombreux ouvrages pour TASCHEN se trouvent The Complete Kake Comics et The Big Penis Book. Elle vit à Los Angeles.
