The economy is going down, and so should you: get ready to generate a stimulus package of your own with this raunchy and riotous recession romp-fest. Whether you're up for a little FTSE with your partner, want to double-dip with a stranger, or need some bond tips to reignite your stagflated workplace, this is the book for you. So fight off deflation, trim that unruly hedge fund and pump up your assets - this frisky and frugal piece of capital is a smart investment that's sure to add a few 'oh oh ohs' to your balance sheet.
